

NCIRPC, the economic development organizations of Cass, Clinton, Fulton, Howard, Miami and Tipton counties, the Purdue Center for Regional Development (PCRD), and the consulting group Explorer Solutions are working collaboratively on a regional supply chain analysis. The goal is to interest suppliers in investing in the region as a base of operations, thereby increasing job opportunities and expanding economic development efforts. With a better understanding of the local supply chain needs and demands, the North Central economic development professionals will utilize this confidential information to develop local and regional strategies to support North Central industries.

To participate in the supply chain survey, follow the link below:
